SECTION 4: First aid measures

4.1 Description of first aid measures

| General advice | : Move out of dangerous area. Consult a physician. Show this safety data sheet to the doctor in attendance. | |
|-------------------------|---|-------|
| If inhaled | : Move to fresh air. Consult a physician after significant exposure. | |
| In case of skin contact | : Take off contaminated clothing and shoes immediately. Wash off with soap and plenty of water. Immediate medical treatment is necessary as untreated wounds from corrosion of the skin heal slowly and with diff ty. | ïcul- |
| In case of eye contact | Small amounts splashed into eyes can cause irreversible t sue damage and blindness. In the case of contact with eyes, rinse immediately with ple of water and seek medical advice. Continue rinsing eyes during transport to hospital. Remove contact lenses. Keep eye wide open while rinsing. | |
| If swallowed | : Do not induce vomiting without medical advice. | |
